HOME ALONE - FOR PARENTS & CHILDREN

Youth & Adults

Is your child prepared to stay home alone? Does he or she know what to do in case of a fire, if there is a stranger at the door, when friends come to play, when using the internet, if they get hungry and want a snack? Be sure that you have the frank conversations and all of the necessary tools in place so your child is well equipped to stay home without an adult. Home Alone is taught by Sheryl Nefstead, a District 279 teacher with significant experience teaching teens safety and home life skills. She will guide you and your child through the important questions to consider and share the tools you need before you make the important decision to leave your child home alone. A Maple Grove Police Officer will provide your family with Hennepin County guidelines, various safety considerations and a child safety checklist. This class will help your child feel comfortable and provide you with the information you need to assure that your family is safe in all settings, but mostly when you prepare for the big step of leaving your child home alone. A collaborative program offered by Maple Grove Parks and Recreation and District 279 Community Education. Registration may be done in person during Parks & Recreation hours, by fax or by mail. Unfortunately, we are unable to process this registration electronically due to the fee structure. Instructors, Sheryl Nefstead & Maple Grove Police Officer.

Guthrie Theater

The hummable, quotable, utterly enjoyable musical for the whole family. The story, the songs, the characters – you know and love them. Now, for the first time in Guthrie history, see them come to life in a spectacular, new production. Professor Henry Higgins loves language. Cockney flower girl Eliza Doolittle yearns to speak like a lady. Sparks fly when his curiosity and her determination launch a daring social experiment designed to turn a lower-class ugly duckling into a high-society swan – with unexpected results for both of them. Based on George Bernard Shaw's delightful social satire *Pygmalion*, Lerner and Loewe's charming and beloved musical features such unforgettable numbers as "I Could Have Danced All Night," "The Rain in Spain" and "On the Street Where You Live." LEARN-TO- SWIM

The American Red Cross swim program helps everyone 18 months through adulthood to be safe in, on and around water. There are six comprehensive course levels that help a person progress in their strokes to proficiency and endurance. The prerequisite for each level is the successful demonstration of the skills from the preceding level, except for level 1, which has no prerequisite. Each level of Learn to Swim includes training in basic water safety and helping a swimmer in distress, in addition to the skills outlined below. Exit skills are a combination of skills learned. Instructors will be checking skills the first day of class to place the swimmer in the appropriate class. If you have any questions or concerns, contact Gayle West, 763-494-6493.
